MEELICK WINS CRESCENT CITY

Coast Horse Captures Classic
Event on New Orleans
Track.

New Orleans, March 14.—Meelick, just arrived from the Pacific coast and almost despised in the betting, won the classic \$10,000 Crescent City Derby today, and at the same time broke the track record at the distance, one and one-eighth miles. A big and brilliant audience pinned its hopes to Chapultepec, the one to three favorite, and went into ecstasies during the early part of the race as the favorite, under a boiling sun, rushed into the lead and, with a length to spare, appeared to be running the big horse from the coast off his feet. At the end of the back stretch Meelick just perceptibly began to close the gap. Despite cries of warning to the favorite, Meelick continued to gain until early in the home stretch he poked his nose in front, then moved up nearly a length in the lead and held this position to the finish, running apparently with something still in reserve. The time was 1:51 4-5, which was 2-5 of a second under the track record. In the betting Meelick opened at 4 to 1, and was backed down to 2 to 1 at post time. Angelus and Pinkola, the only other horses in the race, were never dangerous, although Angelus, which finished third, gave a game exhibition of sticking close to the leaders. Much money was lost on Pinkola, on which there was a plunge at 18 to 5.

Weather clear; track fast. Results: First race, four and a half furlongs.—Intervene won, Arionette second, Nigger Baby third. Time—54 4-5 seconds. Second race, six furlongs, selling.—Escutcheon won, E. P. Shipp second, Spion third. Time—1:13 3-5. Third race, six furlongs, handicap.—Hyperion II won, Hasty Agnes second, Prince Ahmed third. Time—1:13 2-5. Fourth race, mile and one-eighth, Crescent City Derby.—Meelick won, Dugan, 2 to 1, won; (x) Chapultepec, 117 (McDaniel), 4 to 5, second; (x) Angelus, 119 (Nottor), 2 to 5, third. Time—1:51 4-5. Pinkola also ran. (x)—Coupled in betting; separate betting Chapultepec, 1 to 2 and 1 to 6; Angelus, 3 1/2 and even. Fifth race, one and one-eighth miles, handicap.—Pedro, 105 (T. Dugan), 4 to 5, won; Old Honesty, 117 (McDaniel), 11 to 5, second; Donna, 97 (McDaniel), 6 to 1, third. Time—1:53 1-5. Sixth race, mile and seventy yards, selling.—Guagua won, Land Breeze second, Blaze O' Light third. Time—1:45. Seventh race, mile and seventy yards, selling.—Jack Witte won, Warner Girl second, Ben Trovato third. Time—1:44 3-5.

At Los Angeles. Los Angeles, Cal., March 14.—Lee Rose, held at 3 to 1, had the fourth race, the Colin stakes, with \$1,500 added, all to herself today at Santa Anita, winning easily by a margin of six lengths. Del Cruzados and Aunt Aggie fought it out for the second place, the former winning by a nose. In the third race at a mile, Colonel Jack, the 11 to 5 favorite, won from E. T. Fryer by six lengths. Orlene ran a close third.

Results: First race, seven furlongs.—Surveillance, 105 (Musgrave), 3 to 4, won; Nattie Bumpo, 105 (Burns), 10 to 1, second; Tattenham, 110 (Aker), 10 to 1, third. Time—1:27 2-5. Second race, five furlongs.—Lee Rose, 112 (Musgrave), 4 to 1, won; Del Cruzados, 106 (Miller), 4 to 1, second; Aunt Aggie, 115 (Schilling), 9 to 2, third. Time—1:00 2-5. Melton Cloth, Horace H. Royal Stone, Foreguard, Live Oak, Buckthorne, Ned Jram, Ocean Maid finished as named. Fifth race, mile and an eighth.—Catalina, 104 (Musgrave), 9 to 5, won; Stony Lee, 107 (Schilling), 3 to 1, second; Esther B., 98 (Shriner), 5 to 1, third. Time—1:14. Little Minister and Ted Reynard finished as named. Sixth race, six furlongs.—Lee Harrison, 107 (Schilling), 9 to 2, won; Laudable, 95 (Goldstein), 3 to 1, second; Booger Red, 102 (Lio), 7 to 5, third. Time—1:13 2-5. Tramotor, Anna May, Hereafter, San Nicholas, Jillette finished as named.

At Oakland. San Francisco, March 14.—A great crowd turned out at Emeryville today to witness the running of the four-mile race for the Thornton stakes. The weather was clear and the track fast. Big Bow, recently purchased by President Thomas Williams of the California Jockey club, was the favorite. He won the race, at the same time breaking the track record by one-fifth of a second. Livius on his Los Angeles reputation, was made second choice, 3 to 1 and 17 to 1, respectively. Byronedale made the running for two and a half miles, with Big Bow always at his heels. Under a masterly ride Butwell made his move at the right time and took the lead when ready, and held his field safe to the wire, winning by three lengths. Livius came from the last position in the final mile, and although he made up some ground, his spurt proved unavailing, and the best he could do was to finish an easy second. Time—7:16. The Glenwood handicap was won by Cloyne, though Judge Nelson only lost on the last jump. Results: First race, mile and twenty yards.—Wuerzburger, 92 (Baxton), 3 to 1, won; Tonic, 102 (A. Walsh), 2 to 1, second; Huefano, 102 (J. Butler), 4 to 1, third. Time—1:43. De Grammont, Henry O. Salpearl, John H. Talamond, Adele

CABLE CHESS MATCH ENDED

American Players Secure 5 1/2 Points
Out of a Possible 10—Newnes
Trophy the Prize.

New York, March 14.—After two days of stubbornly contested play the tenth international cable chess match ended tonight in a victory for the American players, who secured 5 1/2 points out of a possible 10 by winning three games, drawing five, while two games are held in abeyance pending adjudication by Referee Baron Albert de Rothschild of Vienna. Sir George Newnes' trophy, which was held by Great Britain last year, now becomes the prize of America. The Americans won three games in succession, namely, on boards 7, 8 and 9. The first to score was Wolbrecht, who by a smart combination encompassed his adversary's position, forcing Michela's resignation after forty moves. Next came He Schwelzer, who outplayed England. He won after four moves. The third to win the advantage which he had nursed and eventually Atkins emerged with a pawn to the good, but the position arrived at was a took draw after sixty-one moves had been recorded. On board 10 Robinson managed to draw, although being a pawn behind, after forty-six moves. Helms, on board 3, forced his adversary to give up the exchange, thus evening up matters, and Lawrence claimed a draw after fifty-eight moves. Blackburne had won a pawn, but Hedges put up a sterling defense and the game was adjourned after sixty moves and left to the adjudicator for a decision. Voigt, who was thought to be a certain winner, missed the road to victory and eventually Atkins emerged with a pawn to the good, but the position arrived at was a took draw after sixty-one moves had been recorded. The Britishers demanded that America should give up games 1 and 4, they became drawn on both boards, and the Americans declined to do. Delmar, on the fourth board, held his adversary at bay, and the match was made. The game will be adjudicated.

BEST TRACK IN THE WORLD

Bicycle Arena Being Built at Saltair
Will Surpass Anything
of Its Kind.

Johnnie Chapman, manager of the Saltair saucer track now being constructed, was in from Saltair last night. He said that the posts for the new track have been put in place and the work on the concrete foundation of the arena is being pushed as rapidly as possible. "I have seen nearly all of the saucer tracks in the world and have ridden on most of them," said Manager Chapman last night, "and I can say without fear of contradiction that the new saucer track being built at Saltair will be the best and fastest track in the world. We are profiting by the mistakes of others in building this track and making it as near perfect as is possible. It is a ten-lap track and the elevations are so arranged as to be of the greatest advantage to the rider. I am confident that most of the world's cycling records will be broken on this track. We are planning to open the track on May 20."

JACKIE CLARKE MAY COME BACK

Fast Australian Writes He May
Return to Salt Lake for
Racing Season.

W. E. Samuelson, the local bicycle rider, has received a letter from A. J. Clarke, the crack Australian cyclist, in which the latter said that in all probability he would return to Salt Lake from Australia for next summer's racing season. If he comes back he will ride at both the Salt Palace and Saltair tracks. Clarke is now riding at the new saucer track at Melbourne, winning almost every race he enters.

The Official Gazette and Cycling Record of the League of Victorian Wheelmen, published at Melbourne, gives an interesting account of the opening of the Princes' saucer track in that city. At the opening of the new track A. J. Clarke, E. A. Pye, F. McFarland and other riders well known in Salt Lake won all of the important races. Of an exciting pursuit race at this track in which Clarke distinguished himself the Official Gazette has this to say:

"The event of the evening at the saucer track on Saturday, Jan. 25, was an interesting pursuit race, contested by a New South Wales team, comprising E. Horder, T. J. Gascoyne, B. P. Quinlan and Dan Plunkett, and a Victorian team, consisting of A. J. Clarke, P. Hehr, F. L. Millard and R. W. Morgan. The teams started from opposite sides of the track, and directly the man of one side passed the whole of the opposing team the race was won. The first three miles traveled left neither side with any great advantage, so far as distance went, but Millard of the Victorian team had retired, and Clarke's other companions were both so weary they were unable to give him the requisite pace. The race is all over," said everyone, but just when the position appeared most hopeless Clarke sprang away from the remnant of his team and to wipe out the half lap separating him from the New South Wales quartet. Riding magnificently, he had caught his men in three and a half ding-dong laps, and, after two unsuccessful attempts to bore his way through, eventually succeeded. A full five minutes' sheering rewarded Clarke's effort."

RESULTS IN A TIE.

Salt Lake and Ogden Teams Play
Soccer Football to a Draw.

(Special to The Herald.)

Ogden, March 14.—A closely contested game of soccer football between the Salt Lake and Ogden clubs this afternoon resulted in a draw, each team scoring one goal. Both teams played a good game. The scoring was done in the first half, Ogden making a goal in the first few minutes of play. Bob Stevenson of the Salt Lake team followed with a goal for the Salt Lake club. Just before the end of the game McWhirter of the Salt Lake team made a pretty shot for goal. The Salt Lake team claimed that a goal had been scored on McWhirter's shot, but Ogden contested and the point was disallowed by the referee.

JOHNNY THOMPSON KNOCKS OUT MURPHY

San Francisco, March 14.—"Cyclone" Johnny Thompson of Illinois knocked out Johnny Murphy of this city in the eighth of what was to have been a twenty-round glove contest at Cofroth's Mission street arena this afternoon. Thompson was the favorite at 10 to 7. The men fought at 133 pounds. The preliminary fight between Jimmy Carroll and Monte Attell at 115 pounds went fifteen rounds to a draw. MAY RESULT IN BITTER FIGHT

Split Between Automobile Club
of America and the
Association.

New York, March 14.—Following the split between the Automobile club of America, the premier motor organization of this continent, and the American Automobile association, which occurred through the withdrawal of the automobile club from the New York State Automobile association, affiliated with the A. A. A., at the state organization's meeting in Buffalo Thursday formal announcement of the withdrawal was made from the Automobile club's office here yesterday. Although W. H. Horchless of Buffalo, president of the A. A. A., gave out a statement yesterday in which he said the national organization welcomed the New York club's withdrawal, automobilists who are in touch with the situation, expect the effect to be far reaching in so far as legislative, touring and racing affairs are concerned.

The immediate effect of the withdrawal will be the disruption of the various boards of the A. A. A., particularly the racing board, of which Jefferson D. Mont Thompson, the chairman, W. K. Vanderbilt, Jr., David Hennen Morris and S. M. Butler are members by virtue of membership in the automobile club. Should any of these men desire to be reappointed to the racing board, it will be necessary for them to enroll as individual members of the association, which affects far reaching in the nature of the expected by automobilists to be a fight for supremacy in legislative, racing and touring fields.

The Automobile club of America is distinctively a New York City organization, its membership, however, including many of the country's most prominent motorists.

CHAMPION OF THE WORLD

Arrival of George Hackenschmidt,
Who Will Meet Gotch in
Chicago on April 3.

New York, March 14.—George Hackenschmidt, the champion wrestler of the world, who will meet Frank Gotch, the American champion, in Chicago on April 3, who arrived in this city yesterday on board the steamer Lusitania, said he was in good health and confident of his ability to defeat the American champion. The "Russian" says he does not want to be misunderstood by the American public. "I would like to have it understood," he said, "that whatever may be the outcome of the match between Gotch and myself, it will be an absolutely square contest in which the best man will win." While Hackenschmidt feels fine, he is not quite in the best wrestling condition. "I have been working for the past year and have had little time in which to train, but I know that with two weeks' training I will be in perfect shape."

To keep himself in shape on the way over, the giant competed in potato races on deck and amused the passengers by the swiftness with which he could carry his giant size from one bucket to another.

When he was told that Gotch was a great wrestler, he said: "I'm glad to hear it. If he is as good as reports say he is, our bout should prove a good one."

HIGH SCHOOL LOSES GAME.

(Special to The Herald.)

Ogden, March 14.—The Weber stake academy basketball team defeated the team of Salt Lake High school here this evening by a score of 44 to 23. The first half of the game was more closely contested than the last, the score being 16 to 14 in favor of the academy. The Salt Lake team put up a good game, but the academy boys were in better form and outclassed their opponents. A feature of the game was that all but two of the scores made by the academy were made on field baskets. Bingham, the left forward of the academy team, and Romney, who occupied the same position on the High school team, were the stars.

WINS SILVER CUP.

The basketball team of the Draper school defeated the team from Union at Sandy yesterday by a score of 17 to 3. The game was the last of a series between the schools of the Jordan district for the silver cup presented by C. C. Srapo of Sandy. The trophy was presented to the winning team by County Superintendent John W. Smith.

The game between the girls' basketball teams of the "Union and Draper" was held last evening, was forfeited to the Draper girls by the failure of the other team to appear.

WILL INSTRUCT PATRONS.

W. H. Morgan, of Memphis, an expert billiard and pool player, has been engaged as manager of the Log Cabin billiard hall, and will give free instruction to the patrons of the hall.

NO TEAM FROM BOSTON.

Boston, March 14.—Trouble has already been started in Boston over the selection of Matt Halpin as manager of the American Olympic team. The Boston Athletic association will officially refuse as an organization to send a team of athletes under its official colors to England. The club will contribute nothing to the general fund, and few members as individuals will put their names to the subscription list. No attempt will be made to prevent any members from trying for team, and any candidates will be allowed to act independently if they wish. Other organizations in this section, who usually follow the lead of the B. A. A., are expected to do likewise.
